HOME-BUILT GYRO-COPTER PROVES FLYING ABILITY

About two years of work and planning reached a climax for three Drayton Valley men last Sunday when their home-built Gyro-copter successfully ac-

complished its first powered flight. The Gyro-copter, the first of three under construction, was built by Harvey Nelson,

Rudi Merschel and Gary Gough from plans purchased from the Benson Aircraft Corporation of Raleigh, North Carolina.

Sunday's flight, which attracted a large crowd of spectators at the Drayton Valley air strip, were the first tests flying the machine under its own power. Previously the 'copter was flight tested by towing airborne behind a car.

Flights were kept to a maximum of about 30 feet from the ground Sunday but more extensive testing is planned in the near future if the weather holds.

Powered by a 72 horse motor, the 'copter will cruise at about 65 or 70 miles an hour and should be capable of

Name Committees At Council Meet

Standing committees of Town Council named at the inaugural meeting on Monday, October 23rd are as follows:

Finance and Personnel, Chairman Mary Burrows, Brian Gooding; Development and Publicity, Chairman Alfred Chesterman, Norman Swendsied, William Rose; Public Works and Utilities, Chairman Brian Gooding, Henry Shimbashi, Alfred Chesterman; Police Fire and Emergency Measures Organization, Nor-

man Swendsied, Mary Burrows and Brian Gooding; Public Welfare, Health and Health Unit, Henry Shimbashi and Mary Burrows; Recreation and Community Services, William Rose and Henry Shimbashi; Licensing, Robert M. Findlay and William G. Johanneson; Stony Plain S.D. #23 Representative Robert M. Findlay.

During the meeting the secretary-treasurer administered oaths of office to the mayor-elect Robert Findlay and councillors-elect Norman Swendsied and William Rose. On being sworn into office the new mayor took his seat and chaired the meeting.

Councillor Brian Gooding was elected deputy mayor for the ensuing year. The mayor and deputy mayor were named as signatories for the town along with the secretary-treasurer.

The meeting also decided to continue regular meetings of council on the second Thursday of each month commencing at 9:00 a.m. as in the past.

Election Forum

Candidates in the federal by-election in Jasper-Edson on November 6th will have an opportunity to make their views known to voters of the Drayton Valley area at a political forum here this week.

The forum will be held in the Legion Hall, starting at 8:30 p.m. on Thursday, November 2nd.

Mr. and Mrs. Henry Dunington

Couple Observe 55th Anniversary

Mr. and Mrs. Henry Dunington, long-time residents of the Violet Grove district, were honored by members of the community on the occasion of their 55th wedding anniversary on Monday, October 23rd.

Many of the old time residents of the Violet Grove area met at the Dunington home to wish them well on their anniversary.

Mr. and Mrs. Dunington were both born in Ontario and were married in Consort, Alberta in 1912. They farmed at Castor for 21 years before moving to the Violet Grove area to take up a homestead in 1932.

They left Castor at the peak of the drought that marked the "dirty-thirties". They failed to take off a crop during their last seven years on the prairies when the whole country appeared to be blowing away in dust storms.

Mr. Dunington remarked that this region offered many of the things they lacked on the prairies and the couple never regretted leaving their established home to start building all over again. Game good water, wood and meadows for stock and tilling gave them the opportunity to join other homesteaders of the area in raising their families and building farms without the benefit of much in the way of

cash.

Mrs. Dunington remarked that she was relieved to leave the blowing dust behind and never since has objected to mud that stays on the ground where it belongs. She tells of setting the table for a Christmas dinner during one of their prairie winters when all the dishes were set upside down and turned over when the family sat down to eat to keep them from being covered by a layer of dust.

Mr. and Mrs. Dunington have seven children; Clarence of Violet Grove, Jack of Castor, Stanley of Wainwright, Clayton of Burnaby, B.C., Mrs. Verna Trichter, New Westminster, Mrs. Ethyl Sroty of Cicero, Illinois, and Mrs. Margaret Chisholm of Calgary; 22 grandchildren and six great-grandchildren.

Canvass Earns \$300

Results of the town-wide canvass for the current work of The Canadian Bible Society, North Alberta District, are most gratifying, reports the Drayton Valley Ministerial Association.

The canvass of residents of Drayton Valley took place in mid-September, and yielded slightly over \$300. This sum together with offerings received at the public meeting has added four hundred dollars for the world-wide work of Bible translation, production and distribution.

At a time when the literacy rate is reaching unprecedented proportions, such practical aid for the Bible Society is doubly welcome. The Ministerial Association is grateful to all contributors and canvassers for this support.

ART EXHIBIT

A Centennial Tea and Art Exhibit sponsored by the Drayton Valley Art Club will be held from 2 to 5 p.m. on Saturday, November 4th in the Elks Hall.

A door prize of an oil painting will be presented during the afternoon.

Chamber Plans Supper Meeting

In an effort to bolster sagging attendance the Drayton Valley and District Chamber of Commerce has switched from its usual evening meeting to a supper meeting for the regular November session.

The supper meeting will be held in the Jade Cafe at 6:30 p.m. on Thursday, November 2nd. The Chamber executive

noted that the meeting would be finished in time for all those interested to attend the political forum scheduled for later the same evening.

It is the hope of the executive that all members will make an effort to attend and help get the Chamber of Commerce off to an active start for the new season.

Gyro-Copter Passes First Power Tests

Continued from Page 1 reaching an altitude of about 12,000 feet.

The machine cost the builders about \$1200 and 150 hours of labor. Considerable experimenting went into the first model and refinements are being worked into the next two, one of which is now being rope tested. They expect to have the third completed by spring.

The local men observed that their successful completion of the gyro-copter was aided by considerable advice from Bernard Haseloh of Ponoka who has been flying a similar model for some time. Mr. Haseloh flew his machine here during the Klondike Days celebration in 1966.

With fishing the remote lakes in mind the local builders are now experimenting with equipping the 'copter with floats. It is hoped to combine the floats and wheels to make the machine amphibious.

The gyro-copter differs from a helicopter in requiring a forward motion to get the rotor turning to carry it aloft. The forward motion is supplied by a pusher-type propeller mounted behind the operator.

Plans by the three men include the construction of a 2-seat training trailer that would be towed behind a car on a boom that would regulate the height of the trainer. Construction of the trainer will start after the completion of the third gyro-copter.

Long-range planning include the possibility of the formation of a 'copter club at some time in the future.

Carnwood Clothing Club Re-organized

Gwen Laughlin, Club Reporter

The re-organizational meeting of the Carnwood 4-H Clothing Club was held on September 27th at the Carnwood Community Center.

Club executive and leaders were elected and are as follows: President, Shelli Barnett; Vice-president, Edythe Colby; Secretary, Elizabeth Ellis; Treasurer, Carolyn Young; Reporter, Gwen Laughlin; and Junior Council, Elaine Thyre.

The social committee consists of Donna Bowen, Patricia Young, Annie Thyre and Fran Gillespie.

The club leader is Mrs. Irene Gillespie. The assistant leaders are Mrs. C. Jacobsen and Mrs. J. Ellis. Council member is Mrs. F. Foster.

Lunch was served by the leaders. The meeting was held at the home of Edythe Colby on October 4th when the club planned its program for the year.

Elaine Hankins was present and joined the club. The club decided on a membership fee of 25¢ for each member.

The next meeting will be held on November 18th at Shelli Barnett's home. Following meetings have been planned for every third Saturday afternoon at 2.

This will be the second year for Shelli Barnett; Edythe Colby; Donna Bowen; Elizabeth Ellis; Carolyn Young; Elaine Thyre; Elaine Hankins; and Geraldine Foster.

Four new members are Patricia Young, Annie Thyre, Fran Gillespie and Gwen Laughlin.

The hostess, Mrs. Colby, served a lovely lunch; she was assisted by Edythe, Fran, and Gwen.

ciency awards, Garth Gillian, on behalf of the Department of Agriculture presented Otto Reich and Dave Case each with a five-year certificate for leadership and service.

There were about 170 guests at the banquet. The awards were followed by a film, "West to the Mountains". Alex Wakelem showed some film of local interest that was taken by his son Arthur. The evening was enjoyed by all.

Christmas Plan For Patients In Hospital

Christmas Shoppers Fair is an undertaking by the Canadian Mental Health Association that gives patients at the Alberta Hospital, Edmonton, an opportunity to take part in the festivities of Christmas.

The Association seeks the help of men's women's and youths organizations and interested individuals in making donations of gifts so that patients in the hospital (without funds or the opportunity to shop) may select and mail a gift to loved ones at Christmas and thus take a part in the family celebration while still in hospital.

Anyone who would like to help is asked to obtain a new gift (one you would be happy to send to a dear friend) and mail to the Canadian Mental Health Association, Edmonton Branch, 9934 - 106 Street before November 15th.

With plenty of feed at hand Canadian feedlot operators are really competing for the available supply of feeder cattle this fall. As a result, up to September 30 only 40,000 head had been exported to the U.S. compared with 151,000 a year earlier. Both demand and prices for choice cattle have been favorable this year. To date 70,000 more fed cattle in the two top grades have been marketed this year than last and at prices considerably above the export basis.

Over 30,000 Elegible Voters

Something over 30,000 voters will be eligible to cast ballots in the November 6 by-election in the Federal Constituency of Jasper-Edson.

The vacancy in the House of Commons was created when the sitting member, Dr. Hugh Horner, resigned his seat last spring to run as Conservative candidate for Lac Ste. Anne in the provincial election.

Three candidates have filed nomination papers to contest the seat. In order of their appearance on the ballot, they are Douglas Caston of Edson, Conservative, Bob Christensen of Seba Beach, New Democratic Party and Allen Sulatycky of Whitecourt, Liberal.

In the last election in Jasper-Edson 24,802 ballots were cast.

Thoughts Still Sound

You cannot bring about prosperity by discouraging thrift. You cannot strengthen the weak by weakening the strong. You cannot help the wage earner by pulling down the wage payer...

You cannot help the poor by destroying the rich. You cannot establish sound security on borrowed money. You cannot keep out of trouble by spending more than you earn.

You cannot build character and courage by taking away men's initiative and independence. You cannot help men permanently by doing for them what they could do for themselves.

-Abraham Lincoln

Winter Sports Safety

Skiing, tobogganing, ice skating, sleigh riding, and hockey are a lot of fun. Children and adults, both love these sports and look forward to the first snowfall.

Winter sports are fun but are often marred by injuries and accidents which could be avoided.

Red Cross stresses the need to learn and obey the following rules:

Ice Skating: Small bodies of water such as pools, ponds and flooded hollows usually freeze quickest and form the smoothest ice. They are the safest outdoor places for skating. If possible, skate where water is only a foot or two deep. Never skate alone or on unfamiliar ice. Stay away from areas posted as dangerous.

Ice Rescue: If you see a person break through ice in deep water, don't panic. Yell for help. Extend a pole, long branch, ladder, rope or buoy-ring if one is available. If others are about, use the human chain rescue system. Here's the way it is done: The first person slides on his stomach grasping the victim's wrists. The second person slides out in the same manner and grasps the skate of No. One, and the third person olds on to No. Two, etc. On command given by No. One, the "pulls" are executed. Encourage the person in the water to support his body by resting his arms on the ice, and edging forward until he reaches land or solid ice.

No matter whether you go ice skating or skiing, know where to obtain first aid

Have you ever wondered...

... how it is determined who receives how much welfare assistance from the Province of Alberta?

To ensure that Alberta families truly in need receive the financial assistance required to provide them with an adequate living income, their requirements are judged on the "budget deficit" system. This method balances the cost of such basic requirements as food, shelter, clothing, utilities and medicines against the family assets and income. If the results show a deficit, the Alberta Department of Public Welfare supplements the income to raise it to a pre-determined "adequate" level, based on present living costs. In this way, all Albertans are assured of sufficient income to maintain health and decency for themselves and their families.

... what the recipe is for good growing soil?

As in all recipes, the main concern is the proper amount of the correct ingredients. Alberta farmers can learn if the soil in their field contains the proper proportions of plant nutrients by asking the Soils Branch of the Plant Industry Division, Alberta Department of Agriculture.

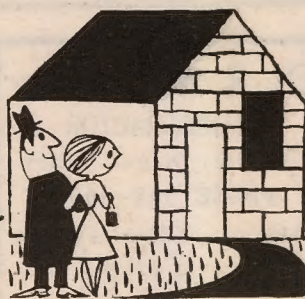

For a small fee, they can have a sample of soil laboratory-tested for fertility level, fertilizer requirements, acidity, alkalinity, salinity and organic matter. A report is then issued, based on the results of the analysis and on the cropping history of the land, recommending to the farmer the proper fertilizer needs, or the cultural practice adjustments necessary for the most efficient crop production. The same service is offered Albertans who wish advice on the soil of their vegetable or flower gardens, or lawns. The Soils Branch also issues regularly, general recommendations for the use of fertilizer with various types of soil.

... what steps are being taken to prevent mental health problems in Alberta?

Trained personnel teams consisting of psychiatrists, psychologists and social workers travel the province from Guidance Clinic headquarters in major population centres to assess and diagnose mental problems and to recommend solutions. This assistance in the management of emotional and behavior problems of children and adults is provided by the Mental Health Division of the Alberta Department of Health and is available to schools, parents and doctors, without charge. Appointments can be made through school superintendents, doctors or local health units. The Division maintains residential treatment centres for disturbed children where rehabilitation training and recreation are provided by a professional staff, and operates out-patient clinics at the Guidance Clinics. The Mental Health Division also administers the plan under

which patients in mental hospitals are provided with hospital and medical care at a cost of \$1 to \$1.50 per day.

... what it takes, besides "a heap-o- livin'", to make a house a home?

Every homemaker knows that the house she is building, remodelling, or occupying, should be designed to suit her convenience, decorated to please her taste, and managed to the best of her ability. To be sure that all three objectives are achieved, Alberta homemakers, can call on professional assistance from the Home Economics Extension Service of the Alberta Department of Agriculture. For help in drafting house plans, choosing building materials, selecting exterior design and interior decoration, the services of a Home Design Specialist are available through District Home Economist Offices. The D.H.E. herself will advise on color schemes, finishing materials, appliances and approximate housing costs. And, to assist in such areas as the use of credit, the keeping of household records and the establishment of comparative values, the Home Economics Extension Service provides the skill and knowledge of a Home Management Specialist.

... how far ahead you must be able to see to plan Alberta's power requirements?

At least six years into the future, because it takes about five years to progress from "decision-to-build" to "power-producing-plant". Planning several years ahead of time for new power plants and the major transmission lines that connect them with the existing system is vital to providing sufficient power to meet the needs of Alberta's growing industry. This "electrical forecasting" is done by the Alberta Power Commission, a section of the Alberta Department of Industry and Development. Not only must the

Commission decide when and where new plants are to be built but it must also coordinate the efforts of the various private industrial corporations which share in installing new power sources. The over-all supervision of the Alberta Power Commission eliminates duplication of effort and equipment and encourages the interchange of power between companies, thus keeping the cost of power as low as possible.

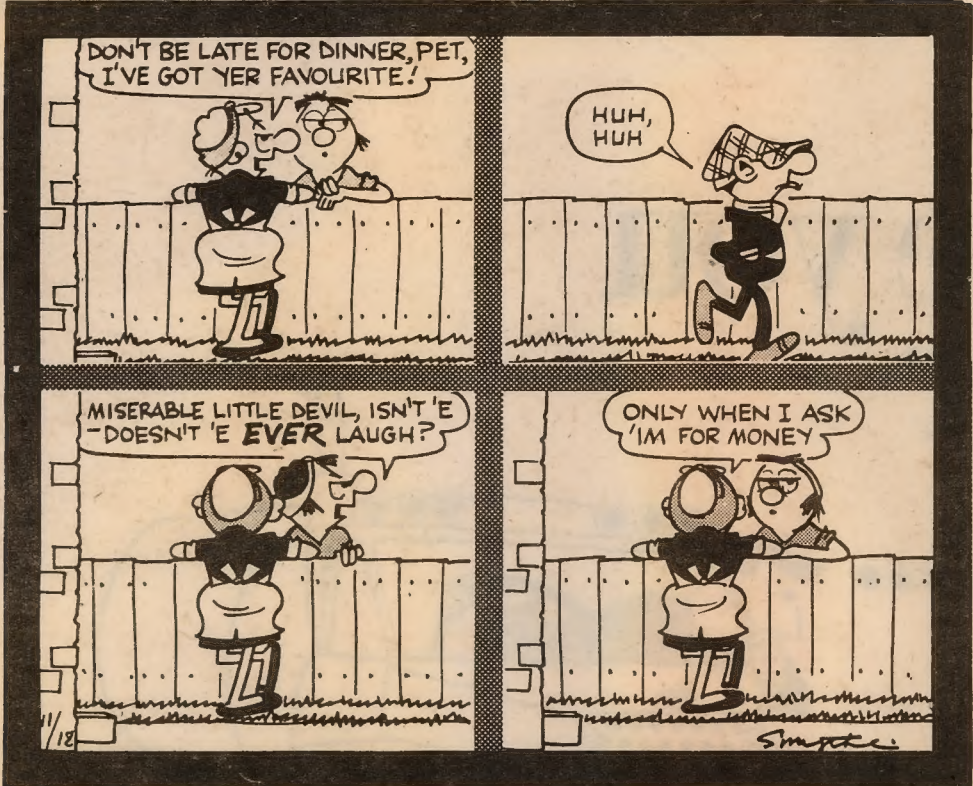

... who bears today's responsibility for Alberta's tomorrow?

Alberta's future depends on the people who live in our province right now. It is their potential and their development which are the basic raw materials from which tomorrow must be constructed. The responsibility for providing every Albertan with the opportunity to develop his personal potential to the fullest lies with three newly-created agencies of the Province of Alberta. The intention of the Human Resources Research Council is to undertake social, educational and economic research so that new and improved programs may provide this opportunity to individuals and communities throughout the province. The Alberta Advisory Council, formed of Alberta citizens whose interests include both the economic and social aspects of life in the province, will act as a sounding board for new ideas and will assess the value of present programs. The coordinating body for the project is the Human Resources Development Authority. Together, these three bodies form an organization whose firm intention is to create the greatest possible opportunity for the personal potential development of every Albertan.

4-H Awards Night Held at Wildwood

By Zane Bruner

On October 20th the Lobstick 4-H Beef, Pembina 4-H Field Crops and Entwistle 4-H Sewing Clubs held their annual banquet and awards night at the Wildwood Community Hall. Approximately one hundred and fifty people were in attendance.

During the early afternoon the Field Crops club achievement day took place. Officials from the Department of Youth and Department of Agriculture gave examinations on the members' knowledge of club work and judged project books, grain samples, etc.

Banquet chairman was Shirley Hutchinson and guest speaker was Mr. A. Malone from the Department of Youth. Mr. Stan McArthur was the presentation chairman.

The following trophies were presented to the Field Crops and Beef Club members:

1st year field crops, trophy donated by W. Brenenstul and won by Ted Bruner; Jr. standing crop, trophy donated by Ivan Brown and won by Ted Bruner; Jr. achievement day display, trophy donated by Mrs. Williamson and won by Caroline Rosadiuk; Intermediate achievement day display, trophy donated by A. Smith and won by Shirley Hutchinson; Senior achievement day display, trophy donated by Bill Rachuk and won by Shirley Hutchinson; Weed Collection, trophy donated by Bill's Buywell and won by Ted Bruner; Plot Poster, trophy donated by Corkery Drugs, won by Ted Bruner; Intermediate Plot, trophy donated by Pembina Coal, and won by

Shirley Hutchinson; Senior Plot trophy donated by U.G.G., and won by Walter Myschuk; Field Crops records, trophy donated by Royal Bank, and won by Caroline Rosadiuk; Field Crops efficiency winner for this year was Shirley Hutchinson and she was presented with a trophy donated by NADP. Beef Records, trophy donated by the Royal Bank was won by Larry Rosadiuk; Champion calf trophy donated by D. Headon and won by Terry Kremeniuk; Beef Judging, trophy donated by Hutchison motors, won by Terry Kremeniuk; Showmanship trophy donated by Wildwood Hotel and won by Terry Kremeniuk; Reserve Champion calf trophy donated by Farmer's Trading, won by Danny Szutiak; Beef Club efficiency winner for this year was Terry Kremeniuk and he was presented with a trophy donated by A. Ternoway.

An essay contest held among the three clubs on "What Benefits I've gained from 4-H" was won by Audrey Anderson of the Sewing Club. She was presented with a trophy donated by M. Bruner.

After the presentation of the trophies, a dance was held with music provided by Lorenz Orchestra.

The clubs wish to thank everyone who helped to make the evening a success. Special thanks go to the Wildwood Chamber of Commerce, who sponsored us this year; Lorenz's Orchestra who donated the music; the Wildwood Hall Board who donated the Hall and the Agricultural Society who donated their catering services.

TOMAHAWK NEWS

The Tomahawk Community Library met on Wednesday evening, October 11, in the school with nine members present.

The secretary reported on the good results we had on July 1st and that we have received our library grant of \$300 from the Stony Plain School Division and the \$25 grant from the municipality of Stony Plain.

It was agreed by the ladies that we should join the Library Association for another year.

A letter written to Francis Gilbert asking us to purchase a book written about the history and pioneer days of Barrhead at the cost of \$5.00. The ladies agreed to purchase this book.

Alma Schadeck reported on the financial statement of the Tomahawk Community Club in regard to the dishes that were bought for the Tomahawk Community Hall.

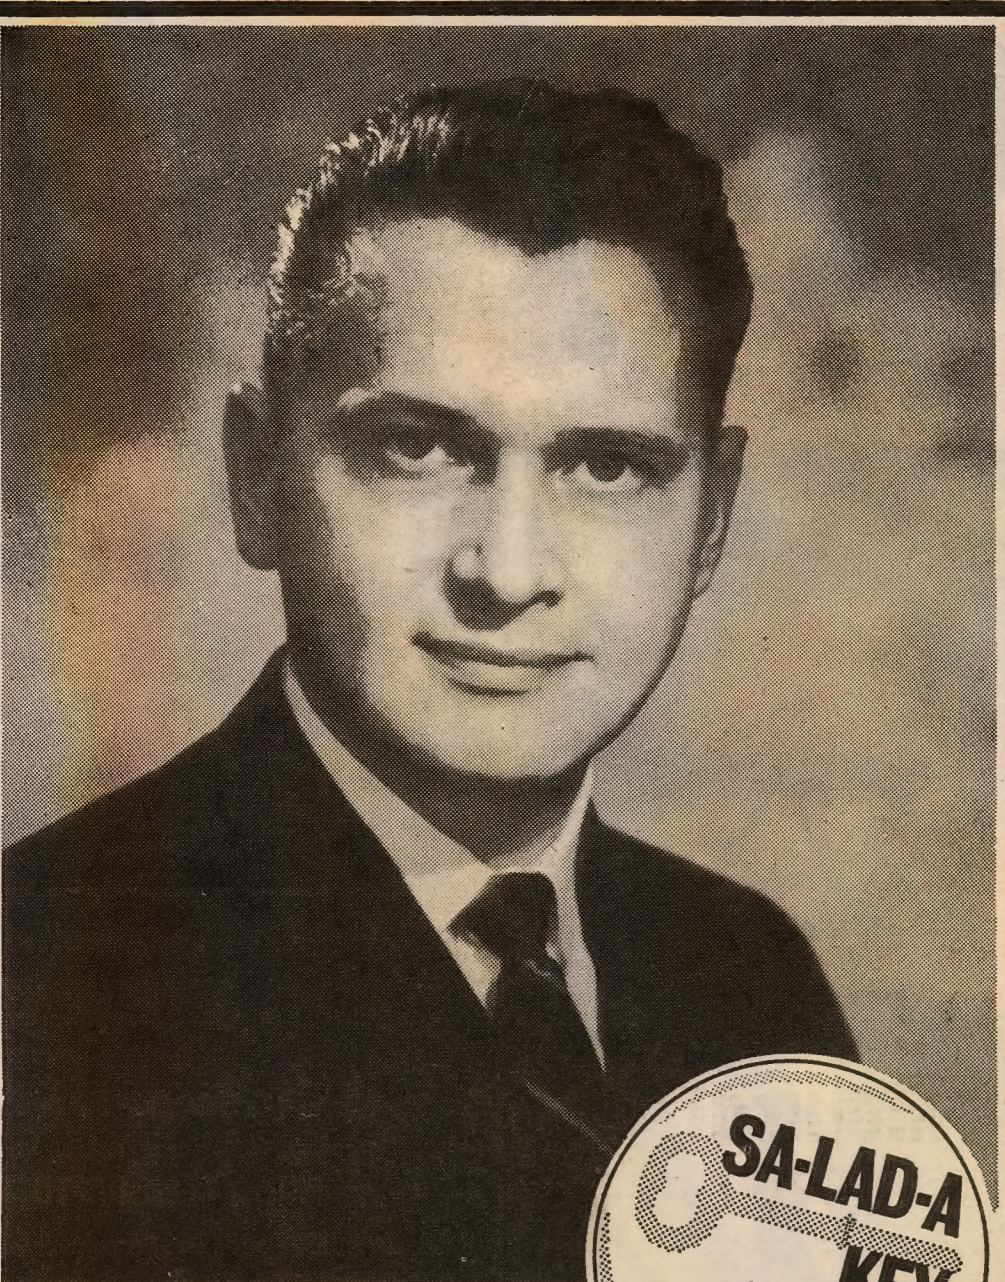

Our Library Board agreed that we should discontinue some of our magazine subscriptions this fall.

The F.W.U.A. ladies are having a farewell social for Mr. and Mrs. Buck Buchanan, to be held in the Shoal Lake School on Sunday afternoon, October 15. Mrs. Jean Buchanan was one of our library members and we were asked to attend the farewell.

Tomahawk and district club sold lunch at Art Buchanan's auction sale October 21st.

Tickets are available from members of the club board for our social evening on November 10th. Tickets must be purchased in advance.

**DOUG CASTON

CASTON, Doug

X

☆ Family Man

Doug Caston and his wife Vi and their seven children (three at home and four married) have been a vibrant part of life in their community for many years.

☆ Community Man

There has been very little going on in the area that Doug through his newspaper and community participation has not had a hand in during the past 30 years (except for service with the RCAF during the war).

☆ Business Experience

As a businessman employing a modest staff he has been beset by and solved many of the problems that operators of small businesses are heir to.

☆ For the Everyday Man

When Doug has taken up the pen it has been with the good of his community in mind. Injustice to anyone, especially the ordinary guy, gets him mad and this is when he thinks he is performing his best community role.

☆ Politics

Through the years Doug has worked and voted for whomever he considered the best men available without worrying about party labels.

Doug's father was a Saskatchewan Conservative when this took some courage during the Liberal regime of that province's early years.

In his teens, as many young men do, Doug experimented with the ideas of monetary reform as advocated by the early Social Credit movement, etc.

Experience has brought him around to the political philosophy of his Conservative father who held that government is for the individual and not the other way around.

☆ Not Afraid

Doug Caston is not afraid to make decisions;

Is not afraid of criticism when he thinks he's right;

Has never been afraid of hard work — he would never have chosen newspapering if he had been;

He has always faced competition head on;

He is not afraid to learn from experience;

Having lived most of his life in the semi-public fish bowl of newspapering where it's open season on editors all the time his taking up of the responsibilities of life in the political arena should be right up his alley.

And he's not afraid to ask for your support in facing up to the principles he believes in.

☆ An Important Election

Doug feels strongly that this by-election is important in spite of the constituency being gerrymandered in redistribution. While some of our constituents will be going into Wetaskiwin and Pembina, the western half of Jasper-Edson will form sixty per cent of the new Rocky Mountain constituency.

Rocky Mountain is a monster, but still the interests of what is left of Jasper-Edson will need a strong voice speaking on their behalf.

☆ The Issues

The interests of farmers in the east part of Jasper-Edson are being threatened by policies being put into effect in Ottawa right now.

Expansion of our petroleum industry is being threatened by the same policy makers in Ottawa.

While on our west side the people of Jasper are being threatened with what amounts to confiscation of their life savings. Their freedom is being circumscribed to the point where they are little better than second class citizens.

You will be well represented by VOTING

D. V. Highlights

BY MRS. EDITH DEBY

Saw ever so many Drayton Valley people at the Royal Purple Turkey Dinner in Entwistle a week ago Sunday. That dinner was worth the drive, too. Delicious.

A wedding of interest to many of us was solemnized in Werl, Germany, on October 17 when Gordon Reynolds, son of Mrs. Joan Reynolds, of Drayton Valley married Miss Magdalena Bernhardt. Gordon will serve one more year with the Canadian army stationed in Germany.

Mr. Otto Stordalsvoll has been visiting his father in Creston for a few days.

Tommy Tucker, son of Mr. and Mrs. Leslie Tucker, started back to school on Monday after a four-month long illness that kept him in hospital most of that time. Good to see you around again, Tommy.

Miss Valerie Krause, of the Treasury Branch Staff, is holidaying in California. She will spend part of her holiday with cousins in San Diego.

Mr. and Mrs. Clarence

Dunington entertained in their home on the evening of October 23 in honour of Mr. Dunington's parents on the occasion of their fifty-fifth wedding anniversary. Dinner guests included Mrs. Hill, Mrs. Edith Dunington, Mr. William Wollschalager, Mr. Louis Mattson, and Mr. Elmore Lawrence. Other friends came in for the evening of whist. Our very best wishes for many more happy years is extended to Mr. and Mrs. Dunington at this time.

Mrs. Olga Wiechert is visiting her son and daughter-in-law, Mr. and Mrs. Erwin Wiechert in Edmonton.

Mr. and Mrs. Ray Jevne have bought a house in Drayton Valley and moved back from Edmonton early in October. Ray is with the company of M & R. Trucking.

Mr. Nels Johnson is a patient in the Mayerthorpe Nursing Home.

Our very best wishes for future happiness are extended to Mr. and Mrs. John Gauthier of Prince George. Mrs. Gauthier is the former Miss Helen Johnson, daughter of Mr. and Mrs. Robert Johnson. The marriage was solemnized in Prince George United Church. Drayton Valley relatives attending the wedding included, beside the bride's parents, Miss Brenda Johnson, Mr. and Mrs. Ray Jevne and Mrs. Lainchbury.

F.M.H.S. School Flashes

By Bonnie McGaughey

Carole Kruger of Frank Maddock High School was chosen to take part in a student exchange to Lethbridge sponsored by the Lethbridge Rotary Club on October 20th to 22nd. Thirty students from all over Alberta attended banquets and visited places of interest in the area. The purpose of the exchange is to acquaint the youth of Alberta with other parts of the province. Last year's representative in this annual project was Larry Metelski.

House Leagues got underway Monday noon with a tug-of-war. The gymnasium was crammed with spectators while more energetic people participated in the battle to gain points for their houses. The standings are as follows: House 2, House 4, House 3 and House 1.

In Volleyball Thursday night the boys won over Warburg in a 3 out of 5 series. Unfortunately the girls were defeated.

Another report from the Athabasca Cross Country: Bruce Gossel came in second out of 140 boys. A job well done.

The dance held October 27 with the International Date Line was a great success. Many thanks to our chaperones, Mr. and Mrs. Willner, Mr. and Mrs. Landreth and Mr. and Mrs. Campbell.

Travellers to Play Here Friday Night

Basketballs will literally fill the air Friday night, November 3rd at Frank Maddock High School when the hilarious Harlem Travelers bring their brand of magic to Drayton Valley.

Game time is at 8 p.m. but plan to be there early to view the pre-game drills of the fabulous Travelers. It's no secret that this portion of the evening is almost as entertaining as the game itself.

Tickets are available at the gate. Adult admission is \$1.50, students will be admitted for \$1.00 and children for 50¢. Advance tickets for \$1.25 adult, 75¢ students and 35¢ children are being sold by Frank Maddock High School students.

The precision-like Travelers Team is comprised of some of the most outstanding performers in the professional and comic basketball world.

Leading the parade is Art "Bones" Smith, who is regarded as the "Clown Prince" of basketball. Bobby Blue, the team's founder, is one of the fine players in the game today.

Also on the Travelers' star-studded squad are Johnny "Ham" Williams, one of the greatest ball-handlers and dribblers in basketball today; Clint Roberts,

Mrs. D. Martin
Correspondent

Mr. Gary Copley and Miss Beverly Kelly were united in marriage at the United Church in Drayton Valley on Saturday October 21st. A reception and dance followed and were held in the Whitby Community Centre. Many relatives and friends were in attendance. We offer our sincere best wishes to the young couple.

Charles and Mae Martin spent the weekend at the home of their parents, Mr. and Mrs. Donald Martin. Mr. and Mrs. Jerry Jacobsen and family of Edmonton and Mr. and Mrs. Robert Shaw of Edmonton were also weekend visitors at the Martin home.

Robert Shaw was one of the big winners at a bingo held recently in Edmonton.

A group of ladies gathered at the home of Mrs. Jim Lawson on Wednesday afternoon to present shower gifts to Faye Travis who is being married soon. Faye graciously thanked all those present for her gifts.

Mr. and Mrs. Martin Lietz and family motored to Warburg one day last weekend to help John Forrest celebrate his 88th

birthday. Mr. Forrest is an old timer of our district and we all want to offer our congratulations to him on this occasion.

Mrs. Helen Anderson has returned from her trip to New Brunswick and reports a very enjoyable trip.

Mr. and Mrs. George Martin had the misfortune to have their barn and chicken house destroyed by fire early Thursday morning. A group of

neighbors gathered quickly and prevented the flames from spreading further. It is not known how the fire started.

Plan Service At Evansburg

Plans have been completed for the Remembrance Day program in Evansburg which will start with ex-servicemen and women and other organizations taking part in the parade meeting at the Legion Hall at 10:00 a.m.

The parade will move off at 10:30 and march to the high school for remembrance services in the gymnasium. Lunch will be served in the Legion Hall following the service.

A free show for children will be held in the afternoon and a dance in the Legion Hall in the evening will climax activities of the day.

Pembina River Riders Hold Awards Night

The first banquet and awards night, held October 27th at the Legion Hall here in Evansburg was a happy, successful night for all members and we sincerely hope all the people who attended enjoyed themselves.

The banquet served by the C.W.L. was delicious. Gene Poholoka's Western Band from Edmonton had the dance floor filled all night and the Pembina River Riders members were a very happy group.

We sincerely thank all the donors for the trophies that gave the club a fine way of ending our first year.

Following a speech from the Mayor of Evansburg, Mr. Corkery, the M.C. for the night, Lowell Gorsline, introduced the winners of the trophies.

Winners were as follows: Barrels--Adult, Mary Lauer, Intermediate, Gail Kaminski, Junior, Tommy Sharkey.

Stakes: Adult, Mary Lauer; Intermediate, Gail Kaminski; Junior Ralph Johnson.

Poles: Adult, Mary Lauer; Intermediate, Gail Kaminski; Junior, Kathy Jefferies.

Flags, Adult, Ed Lauer; Intermediate, Larry Johnson.

Key Hole Race, Tommy Sharkey.

Low Point trophy belt buckles: Adult, Jackie Harke; Intermediate, Judy Sheridan; Junior, Randy Sheridan.

Trail Horse Class: Adult, Amo Johnson; Intermediate, Dayton Gorsline; Junior Ralph Johnson.

Adult High Point, Mary Lauer; Intermediate High Point, Gail Kaminski; Junior High Point, Tommy Sharkey.

The riding members of the Gymkhana Club awarded a plaque to the non-riders who time, judged, recorded, the

grounds crew and the announcer. Mr. Al Ternoway kindly let us display our trophies in his Macloeds Store.

Once again, a thank you to everyone who has worked and came and supported the club, and to Mr. Smith from The Western Review who took the time to come to the banquet.

It is hoped you all enjoyed yourselves and will come again.

The next meeting will be held on November 3rd in the basement of the Grassi Building.

give your heating system a safety check-up!

Normally, your natural gas appliances and heating system operate with little care or maintenance. However, an annual check-up will ensure full efficient operation and complete comfort. To help you inspect your heating system, use this handy guide.

CHECK YOUR CHIMNEY:

Loose mortar, soot, and other debris may accumulate at the base of the chimney obstructing free passage of the products of combustion. Watch that ice and snow on top of the chimney do not cause blockage.

RANGES SHOULD NOT BE USED TO HEAT A ROOM

Do not use your kitchen range to heat a room. Use a proper heater designed for the purpose.

CHECK ALL VENT PIPES:

Examine all appliance vent pipes. A dislodged vent may block the end of the pipe, or permit exhaust to enter the room.

BE ALERT TO DANGER SIGNALS:

Smarting of the eyes, nose irritation and unpleasant odors are indications of fumes in your home.

FRESH AIR SOURCE:

Be sure there is a source of fresh air in your home. Do not keep your house "air-tight". Your gas appliances, like you, need air.

Rebels Prepare For New Season

The Drayton Valley Rebels opened training for their 1967-1968 season in the North Central Alberta Intermediate Hockey League on Monday evening. Fifteen prospective Rebels turned out for this first practice session. They went through an hour and a half drill under coach Harold Reinhart.

Many familiar faces from last season were on hand Monday evening and a few newcomers were also trying out for the team. The 1966-67 Rebels out there were Dave Boutler, Alvin Hopfe, Ken

Machan, Garry Haack, Ron Hemmingway, Barry Ness, Lyle McGinn and Frank Novosell. The new faces were Rod Colbert, Wayne Gordine, Gerald McMorris, Don Borne, Henry Redison, Billy Hutchinson and Murray Scott.

The Rebels practice every night this week Monday through Thursday at 9 p.m. and go into their regular schedule of practice sessions on Tuesday and Thursday at 8:00 p.m. starting November 7th.

Anyone interested in trying out with the team are invited to do so and the sooner the better. The Rebels have got only three weeks before their opening date at the Centennial Civic Centre against the Wetaskiwin Colonels on November 21st.

Masquerade 'Spiel Held

The new curling season was initiated by a 32-rink masquerade bonspiel on the past weekend.

Curlers enjoyed keen, straight ice and some fine shot making was displayed by leads and skips alike.

Although few costumed rinks appeared, the pirates, hippies, and clowns that were present created a gay atmosphere both on and off the ice.

Winners of the events were:

First Event: Ron Tyerman, Rod MacDonald, Emil LaBranche, Dean Meraw.

Second Event: Eldon Herbert, Bruce Boles, Stan Metelski, Barry Johanneson.

Third Event: Jim Shurman, Duane Boliantz, George Klein, Henry Shimbashi.

A reminder to any men's rinks not yet registered in the seasons square draw. The draw starts November 6th. Please get your rinks in now.

The Sunday evening mixed league will be starting soon. Any interested couples contact Bill Sware. Season rates are \$25 per couple of \$15 per individual.

CIVIC CENTRE OPENS

The Drayton Valley Centennial Civic Centre opened for the 1967-68 winter season on Sunday, October 29th at 2:00 p.m. The Centre will be open all this week for public skating from 2:00 p.m. to 9:00 p.m. The Drayton Valley Rebels, the town's Intermediate hockey team will practice each night from 9:00 p.m. to 10:30 p.m. The regular season's schedule governing all arena activities will go into effect on Monday, November 6th at 4 p.m. The schedule will be finalized this week and will be published in next week's edition of The Western Review.

MINOR HOCKEY SETUP

The Drayton Valley Athletic Association has finalized the organization of Minor hockey for the 1967-68 season

at the Centennial Civic Centre Teams at all age levels of Minor hockey will compete both in intra-mural leagues and in inter-town leagues or exhibition games whatever the case may be.

At the Mite level we will have four teams competing in a local league and hopefully the same will be the case with the Pee Wee category if we came up with sufficient players to form that number of teams. At the Bantam level District League has been formed with two teams from Drayton Valley, a local All Star Pee Wee team and a team from Tomahawk. One Midget team will play out of Drayton Valley this winter either in a league or on an exhibition basis. The Pembina Pipeliners our Juvenile team will be in operation again this year.

MINOR HOCKEY AGE GROUPINGS

A very controversial subject right now is that age groupings for Minor hockey. The Canadian Amateur Hockey Association made a new ruling on a age limits for all minor hockey groupings and as per usual only succeeded in confusing the issue properly. Some amateur hockey bodies across the country and the province accepted the C.A.H.A. ruling while others have challenged it and have chosen to go along with the old age groupings. At a recent meeting of the hockey committee of the Drayton Valley Athletic Association it was decided to go along with the previously established ruling in this case until such a time that there was more permanent agreement and wider acceptance of the newly authorized setup. Therefore, here in Drayton Valley the age groupings for minor hockey shall be as follows:

Mites: All players born after May 31, 1957.
Pee Wees: All players born

after May 31, 1955.

Bantams: All players born after May 31, 1953.

Midgets: All players born after May 31, 1951.

Juveniles: All players born after May 31, 1949.

If and when the C.A.H.A. can enforce its rulings in this matter and its decisions are unanimously accepted, then I would guess that the local Association will also change. However, I think that it was a wise decision to stick with the more established age groupings in this sport until the "Big Brass" of minor hockey finally make up their minds.

FIGURE SKATING WORKSHOP

A figure skating workshop sponsored by the Alberta Figure Skating Association will be held in Drayton Valley at the Centennial Civic Centre on Saturday, November 4th. The workshop will run from 9 a.m. to 5 p.m.

The purpose of the clinic is to acquaint groups interested in figure skating with the program of the A.F.S.A. with the hope that this group can give assistance to areas interested in beginning a figure skating program or further the efforts of an already established group.

BUCK CREEK NEWS

The winter season started with a teenagers hayride. Besides the normal activity new and valuable events are in store.

November 2nd will bring you slides taken by Rev. Martin during his stay in Korea, Hongkong and other faraway places. No admission only a free will collection. Please come, it's very interesting.

Next Ladies' Club meeting will be in Donna Haukedal's house.

November 3rd, teenage dance in the hall.

November 1st, the community annual meeting will be held.

THE CANADIAN MEDICAL ASSOCIATION

GALLSTONES

Gallstones are stones which are formed from the bile salts in the gallbladder. Bile is formed in the liver and stored in the gallbladder. It passes from there by way of a tube called the common duct into the intestine, where it aids in digestion of food. The gallbladder is only a storage sac for bile, and when it is removed, the bile simply flows directly from the liver into the intestines.

The Canadian Medical Association advises that the patient who complains of abdominal pain and indigestion after meals may have gallstones. They are usually detected by x-ray.

Gallstones may be present without causing any symptoms, but more commonly they cause inflammation in the gallbladder. The patient complains of pain and indigestion after meals. If one of the stones escapes into the common duct between the gallbladder and the intestine, it causes very extreme pain. If the stone becomes stuck in the tube, it will block the flow of bile and the patient becomes jaundiced.

Cancer of the gallbladder, although not common, is

more likely to occur when gallstones are present, the C.M.A. reports.

When gallstones are diagnosed, usually by x-ray, surgical removal of the gallbladder before complications develop is often recommended unless there is some other health problem that makes it risky for the patient to have an operation.
